

ALABI JOHN OLUWASEUN

GitHub Portfolio: <https://github.com/johnn1992/Cybersecurity-Portfolio>

PROFESSIONAL SUMMARY

Cybersecurity professional with a Diploma in Cybersecurity and Ethical Hacking and a B.Tech. in Chemical Engineering. Hands-on experience in vulnerability assessment, penetration testing, security monitoring, network traffic analysis, phishing investigations, and digital forensics. Delivered cybersecurity training to 120+ students across four classes and completed practical projects using Nmap, Nessus, Wireshark, Splunk, Burp Suite, Gobuster, Nikto, Sysmon, and Autopsy. Seeking an entry-level Cybersecurity Analyst, SOC Analyst, or Junior Penetration Tester role.

TECHNICAL SKILLS

Operating Systems: Windows, Kali Linux

Security Tools: Nmap, Nessus, Wireshark, Splunk, Burp Suite, Gobuster, Nikto, Sysmon, Autopsy

Competencies: Vulnerability Assessment, Penetration Testing, Security Monitoring, Log Analysis, Network Analysis, Web Application Security Testing, Digital Forensics, Phishing Investigation, Technical Report Writing

Programming: Python (Basic)

Virtualization: VMware Workstation, VirtualBox, Metasploitable 2

Other: Git, GitHub, Microsoft Office Suite

PROFESSIONAL EXPERIENCE

Cybersecurity Tutor, Codar Technology Africa (Sep 2024–Present)

- Taught and mentored 120+ students across four classes.
- Delivered hands-on labs in Linux, networking, vulnerability assessment and penetration testing.
- Supported remote learners and assessed assignments.

Cybersecurity Intern (Remote), Mastercard (Jul 2024–Sep 2024)

- Used Nmap, Nessus and Wireshark for security assessments.
- Investigated phishing emails.
- Wrote technical reports and supported penetration testing.

Project Officer, Sky Professionals (May 2018–Mar 2024)

- Supervised construction projects and coordinated regulatory documentation.

EDUCATION

Diploma in Cybersecurity and Ethical Hacking – Codar Technology Africa (2024)

B.Tech. Chemical Engineering – LAUTECH (2016)

CERTIFICATIONS

Cisco Certified Support Technician (CCST) – Cybersecurity

Cisco Certified Cybersecurity Associate

Cisco Certificate in Ethical Hacking

HANDS-ON CYBERSECURITY EXPERIENCE
